40th Year, No. 11.

Sell Six Acres To County

New School Site Will Be On Golf Course

At the regular town council meeting last week it was agreed that the town would turn over six acres of land on the golf course as a site for the proposed new school, in consideration of payment of the sum of \$1000 by the County of Vulcan. This is site No. 1, approved by the Town Planning Commission.

It is likely that the balance of the golf course will be made into a residential area and in order to provide space for recreational facilities the town council will buy the north-east forty acres of the north-east quarter of Section 32-16-24 from Commodore Allen, to be used for such recreational purposes as a golf course and ball diamond.

Two bylaws covering the above matter were introduced and given first and second readings. Bylaw No. 282 covers the sale of the school site to the County of Vulcan and Bylaw No. 283 covers the purchase of the forty acre tract of land from Mr. Allen. The assent of the proprietary electors of the town is required to pass both bylaws, and the vote on these bylaws will be held on Friday, Nov. 7, in the old town office, with Lundy Findlay as returning officer.

To Build New Town Office
Councillors McIntyre and McAleer were appointed to further plans for the construction of a new town office building at the site adjacent to the fire hall. Bylaw No. 285 was introduced, given three readings, authorizing council to commence construction of the new town office, with the total expenditure in this connection for 1952 not to exceed 2 1/2 mills on the assessment.

Building Permits
The following applications for building permits were approved: Mrs. M. Boose, to add 10 x 13 bedroom to house, \$500. Chester Rea, to construct 20 x 21 two-car garage, \$1000.

M. R. Morrison, to build 40 x 80 warehouse and repair shop, \$3000. Everett Todd, to build 12 x 20 addition of bedroom and living room to dwelling, \$1000.

O.K. Street Sign
Jack Patey of the Art Sign Co. Lethbridge, interviewed council and asked re-consideration of their request to construct a sign at the north-east end of Vulcan street. The request was granted on condition all service clubs and lodges be given an opportunity to have their names and dates of meetings on the sign.

Other Business
Mayor W. D. Allan and the secretary were authorized to attend the convention of the Union of Alberta Municipalities in Edmonton on Oct. 29-30.

Council approved the granting of a retail trade license to Alex Grant. Arrangements were approved to rent an office from John Mitchell to be occupied temporarily as a town office during the winter months.

Induction Service For Anglican Pastor Friday, October 24

Rev. J. C. E. Reus who has arrived here to take charge of the Anglican parishes at Vulcan, Carmangay and Lomond, will be inducted into his new charge by Canon E. H. Maddock of St. Stephen's Church, Calgary, Oct. 24.

Rev. Reus conducted his first service in Vulcan on Oct. 12. The Rev. J. C. E. Reus, a former chaplain of the R.A.F., was stationed in Calgary, Alberta during the war at No. 37 S.F.T.S., and later jointly at De Winton and Bowden. He served throughout the period of hostilities, including the 1940 Evacuation of France and the Battle of Britain, returning to England for the final phase of the European conflict in 1944.

On release from active service he became Rector of All Saints, Longhope, Gloucester, in the fall of 1945. Sunny skies and many friends drew him back to Canada the following year. For the last four years he has been south in the Missionary District of Idaho, with the Protestant Episcopal Church of America, which is in affiliation with the Anglican Churches throughout the world.

Rev. Reus was educated at the Royal Military College, Sandhurst, and later at the London College of Divinity, St. John's Hall, Highbury,

Honor Newlyweds Wednesday Evening

On Wednesday evening, Oct. 15, Cpl. and Mrs. D. M. Sproule were entertained at a reception given in their honor by Mr. and Mrs. B. B. Dann Sr., at their home in Vulcan, when about 40 relatives and friends gathered to extend congratulations and best wishes to the bride and groom. During the evening a number of lovely gifts were opened by the bride's mother, Mrs. Leonard Smith of Ensign.

At the close of the evening a delicious lunch was served, assisting the hostess were Mrs. K. Jones, Mrs. L. Smith, Mrs. A. G. Scott, Mrs. W. Dann, Mrs. J. C. MacMillan and Mrs. B. J. Dann.

C.N.I.B. To Make Canvass For Funds

On Wednesday, Oct. 15, the Executive of the C.N.I.B., Vulcan Branch, met with delegates of the various local service organizations to complete plans for a house-to-house canvass for funds.

In a short business session zones were assigned to the various voluntary canvassers who will shortly be knocking on your doors for your generous donations.

The meeting was then turned over to Mr. D. Waddington of Calgary who spoke briefly on the C.N.I.B., its aims, objectives, and gave encouraging reports on some of the results being obtained. Mr. Waddington then offered to answer any questions the delegates wished to ask.

Among some of the many questions asked Mr. Waddington, was one that has been heard around town quite frequently of late, namely, Where does the money go to?

The money, ALL that is collected in Southern Alberta, stays in Calgary and is used in the district designated as Southern and Central Alberta. The only money sent out of Calgary is a small percentage sent East as our share of maintaining the Braille Library.

On a circular letter that has been distributed to all householders this week is a list of costs of operation such as White Canes, Braille Books, Braille Machines, Braille Watches etc. Read these and every person will concede that considering that we have approximately 600 blind in our district, the funds received do have to be most carefully budgeted and that our contributions cannot be too generous.

Mr. Waddington also issued an invitation to any interested person to visit the C.N.I.B. Home at 406-16 Ave. N.W. Calgary and see for themselves just what can be accomplished, with our help, by those who live in perpetual darkness.

Mensinger-Sparks Wedding Oct. 13th

The marriage of Edith Kathleen, youngest daughter of Mr. and Mrs. E. W. Sparks, Vulcan, to Harold Lee, youngest son of Mr. and Mrs. F. J. Mensinger of Vulcan, took place Monday, October 13th, in Southminster United Church, Lethbridge.

Miss Ruth Nichol was bridesmaid and Mr. Richard Hammer attended the groom.

The bride was given in marriage by her father and wore a grey gabardine suit, the same as the groom. Her ensemble was complemented by a corsage of red roses, and the mother of the bride and groom each wore pink carnations.

Following the ceremony a reception was held in the Rose Room of the Club Cafe, Lethbridge. After spending a short honeymoon in Great Falls, Montana, the bride and groom will reside in Vulcan.

The third largest telescope in the world is in use at Toronto's Dunlap Observatory.

Auxiliary Meeting Well Attended

The regular meeting of the Ladies Auxiliary to the Canadian Legion was held Wednesday, Oct. 15, with a good attendance of members. Mrs. Olga Miller, president, was in the chair, and with the assistance of the secretary, Mrs. H. Matlock and Mrs. Jack Marshall, acting treasurer, conducted the meeting with the usual ritual.

A donation of \$10 was made to the C.N.I.B. and two representatives named to assist with the current canvass for funds.

Plans were completed for the coming Poppy campaign, with convener being appointed, and members offering to sell poppies on the street for Remembrance Day.

Donations of \$15 each were made to the Colonel Belcher hospital and Keith San. to provide comforts for the veterans in those institutions. Discussion was held on sending a box of used reading materials to the veterans' hospital, with Mrs. Hanna offering to take same to Calgary.

Members are asked to note that the meeting will commence at 8 o'clock for the winter months. A good turnout is urgently requested to the November meeting as a number of business items are slated for discussion at this time. Lunch was served by Mrs. Witt and Mrs. Loucks.

October Meeting Of Reid Hill W.I.

Mrs. W. A. Fitzpatrick assisted by Mrs. N. Scotney was hostess for the October meeting of the Reid Hill W.I. when 11 members and two visitors answered the Roll Call "Something I Have to be Thankful For."

Considerable business was dealt with by the president, Mrs. Peter Bowie and secretary, Mrs. Percy Myers. Donations of \$10 each were voted to the Salvation Army Appeal and the C.N.I.B. Two representatives were named from the branch to assist with the canvass to raise funds for the latter.

A most interesting letter was read from Mrs. Bert Malsey, the constituency convener, and business arising from it discussed and voted upon. The branch expressed itself as being much in favor of the suggestion that the County branches of the W.I. offer a prize to the child receiving the highest number of points for entries made at the next County Fair.

The tea raffle was won by Mrs. Mary Scott, and a delicious lunch was served by the hostesses.

With The District Agriculturist Hugh Michae.

Fall Management of Forage Crops
To obtain the highest possible returns from land seeded to forage crops, special attention should be given to the management of those crops during the fall. Late mowing is a practice that often proves harmful and results in severe winter killing.

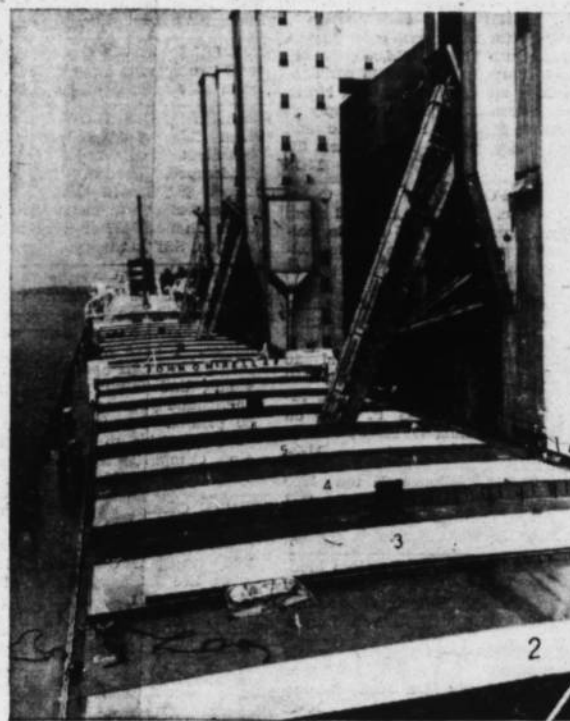

New stands of forage crops should not be pastured the first year. The young plants must be given a chance to develop their root system and to become firmly anchored in the soil. Pasturing too soon may do sufficient damage to the young stand as to render it relatively unproductive during following years. A very thin stand is very susceptible to invasion by weeds and other undesirable plants.

Forage crops must be allowed to make sufficient growth in the fall to enable them to store food in the crowns and roots. This extra supply of food is necessary for the plants to undergo the process of winter hardening.

After growth in the fall has ceased additional grazing may be obtained. Even then, enough growth should be left so that some snow will be held for winter protection.

Winters in Alberta are very severe and even the hardest plants should be given a chance to go in to the winter period in a strong vigorous condition. Plants weakened by late cutting of hay or heavy grazing in the fall are more susceptible to winter killing.

Just before freeze-up is one of the best times to seed forage crops in south-western Alberta. Seeding right into stubble land is a good practice as the stubble holds the snow during winter, which usually provides sufficient moisture to germinate the seeds and give the young plants a start the following spring.

FRESH FROM THE GRAINBELT

The largest cargo of Canadian grain ever carried across the Great Lakes by ship was unloaded from Canada's biggest lake steamer, the 678-foot John O. McKellar into Canadian Pacific Railway grain elevators at Port McNicoll recent-ly. Bay port marked the begin-

ning of large grain shipments eastward as western farmers harvest the biggest crop ever grown, an estimated 1,250,000,000 bushels of all types of grain. Over 20,500 tons of wheat and barley, part of this year's crop and enough to fill 410 railway box cars were unloaded from the lake ship to await transfer to eastern ports by rail.

4-H Clubs To Hold Achievement Day In Vulcan October 29th

The 4H Clubs of the County of Vulcan will hold a joint achievement day at the Legion Hall in Vulcan on Wednesday, Oct. 29. At present there are three 4H Clubs operating in the County.

The Canadian Council on Boys and Girls work have affiliated with the 4H organization which is effectively operating in 17 countries of the world and junior clubs in Canada are now known as 4H Clubs. The officers of the three clubs in the County are as follows: Carmangay: President, David Shearer; Leader, Sid Thompson. Champion: President, Keith Groves; Leader, John Steeves; Vulcan: President, Terry White; Leader, Ross Walker.

In an effort to make Achievement Day more interesting to the members of the three clubs and foster more interest among the parents and public, a committee was formed by the three clubs to arrange a joint Achievement Day.

This committee consists of Hugh Michael, District Agriculturist; W. Wagner, Lethbridge Alberta Wheat Pool representative in charge of junior activities in Southern Alberta and the leader, the president and secretary of each club. This committee has made arrangements endeavoring to assure the success of the day. Cups have been donated for the following activities and efforts in relation to the joint Achievement Day.

Best sample hard red spring wheat, shown and grown by club member for annual competition, supported by a miniature replica of the cup, to be retained by the winner. Donated by the council of the County of Vulcan No. 2.

Best decorated club display, for annual competition. Donated by the Vulcan Lions Club.

Highest individual club average of members for year's work, for annual competition. Donated by Champion Lions Club.

To the member from the three clubs having the highest efficiency score. Donated by the Carmangay Lions Club.

Combined 4H Seed Fair to be Held at Vulcan

On Wednesday, Oct. 29th, commencing at 1 p.m., the Legion Hall at Vulcan will be the centre of activity as the first combined 4H Wheat Club seed fair gets under way. Wheat will be exhibited by the members of the Carmangay, Champion and Vulcan 4H Wheat Clubs.

The arrangements for this day were made some time ago when officials from the participating clubs met at Champion, together with representatives of the Vulcan, Champion, and Carmangay Lions Clubs, who are the local sponsors. Since that time Club

members have been busy preparing their exhibits of wheat, the Club leaders and others working out the necessary details to make the seed fair interesting and educational for everyone who can be present.

The program is to commence at 1:00 p.m. A cordial invitation is extended to everyone interested. Trophies have been donated by the County of Vulcan and the Lions Clubs from Vulcan, Champion and Carmangay. These will be awarded to the various winners during the afternoon program. A cordial invitation is extended to the public generally to turn out and support their local club.

Donate Cup To 4-H Grain Clubs

County Councillors Hold Regular Meetings

The County Councillors held their regular meetings on Tuesday and Wednesday of last week. Considerable routine business was transacted as there was no County Council meeting held in the month of September owing to the busy harvest season.

The Councillors unanimously endorsed the proposal to offer the town of Vulcan the sum of \$1,000 for a school site of approximately 6 acres located in the golf course as described by Plan No. 1 submitted by the Town Planning Commission. Town Councillors tentatively agreed to this sale, subject to the ratification by the ratepayers of the Town of Vulcan. General opinion of the Councillors was that this was an ideal site for the new school which is proposed to be built in Vulcan to house the Junior and Senior High School. The present plans are that the new school will resemble the eight room school which is nearing completion at Carmangay.

Councillors passed a motion authorizing the donation of a cup for annual competition in the 4H Grain Clubs for the best sample of hard spring wheat. The award carries a miniature cup to be presented to the winner each year.

Letters from the Vulcan Library Board and the Farmer's Union of Alberta asking for a grant from the County, were considered. It was felt by the Councillors that it was against the policy of the County to make grants to organizations of this kind.

A number of applications to lease road allowances from the Government were recommended as well as an application from J. E. Bushell of Queenstown to operate a retail fuel oil business and garage.

W. J. Sloan, County Engineer, reported to the Council at length on the progress of the road building program for this year, and stated that with two or three more weeks of the continuing fine weather the 1952 road building program would be fairly well completed.

Councillors decided to join the Alberta Municipal Districts' Association and pay the regular Association Fee. Delegates were appointed to attend the convention which is being held in Calgary on November 19, 20 and 21.

The School Committee appointed delegates to the annual convention of the Alberta School Trustees Convention which is being held in Edmonton this year on November 4th, 5th and 6th. Chairman J. M. McKay and Committee members D. B. Smith and H. W. Matlock were appointed delegates.

The School Committee passed a motion to instruct the principals that the pupils are not to be detained after school hours which interferes with the van operations.

It was also decided to instruct the architect to finish the two first-floor rooms in the new Milo School as classrooms as it was felt that these rooms would be required in the new school.

A motion to formulate a plan for correspondence courses was also passed. It was decided to charge the student the regular correspondence course cost with the proviso that if the student completed the course and passed, the cost would be refunded. This policy is to take effect at the beginning of the next school term.

School Committee members discussed the matter of children leaving the school grounds at the noon hour and recess, and passed a motion to instruct the principal that pupils enrolled in Grades 1 to 8 are not to leave the school grounds operated by the County of Vulcan between the hours of 9:00 a.m. and 3:30 p.m. unless it be to go home for lunch, and except in cases where the requests for permission to do so are submitted in writing from the parents to the principal, such requests to be for one day only.

It was decided that the teacherage at the East Majorville School Site be moved into Milo to accommodate the teacher there.

The School Committee discussed the preliminary sketch-plans for the new Vulcan School and appointed a committee of Mr. McKay, Mr. Matlock, Mr. Carlson, Mr. Deltz and Mr. Smith to make a detailed study of the plans and submit a report to the Board meeting to be held on November 10.

There are about 443,000 public telephones in Canada.

Good Deeds W.I. October Meeting

The Oct. 9 meeting of the Good Deeds W.I. was held at the home of Mrs. P. Clark. Roll call was answered with a hobby and demonstration. There were 15 members and three visitors present. Mrs. Gold became a new member. Mrs. P. Clark and Mrs. H. Spaeth will meet with the committee for the Canadian Institute for the Blind.

The sum of \$22 was realized by members in the "Stretch Your Dollar" and turned in. The chickens were won by Roger Middleton.

Mrs. D. Campbell gave an interesting paper on Home Economics. She also read one prepared by Mrs. G. Hutton on agriculture.

Mrs. H. Spaeth and Mrs. C. Brown helped the hostess with a lovely lunch. The next meeting will be held at Mrs. V. Dennison's.

Sproule-Desrochers Wed At Edmonton

A quiet but pretty wedding was solemnized at Norwood United Church in Edmonton, Alberta, on Saturday, Oct. 11 at 4 o'clock in the afternoon, when Eva Rosanna Desrochers, only daughter of Mrs. Leonard Smith of Ensign, became the bride of Cpl. Dale Merton Sproule, only son of Mrs. B. B. Dann Sr. of Vulcan, and the late Pte. Elmer B. Sproule of Vankleek Hill, Ont.

The Rev. W. Young of Edmonton officiated at the ceremony.

The bride, given in marriage by her grandfather, Mr. Leopold Desrochers, wore a full-skirted gown of white nylon illusion net and chantilly lace. The fitted bodice was fashioned with lily-point sleeves.

Her bridal veil of embroidered net fell gracefully from a tiara of matching, tulle trimmed with pearls and her bridal bouquet was red roses and lily of the valley.

Her only jewelry was a double strand of pearls, a gift of the groom.

Her two bridesmaids were Miss Vera Gurel and Miss Janette Polonuk who wore matching dresses of mauve and pastel green brocade satin and net with matching head-dress and mittens, and carried contrasting bouquets of bronze and yellow mums respectively.

The groom was attended by Mr. Kenneth L. Jones of Vulcan, brother-in-law of the groom, while the guests were ushered to their places by Mr. Leopold Desrochers Jr. of Edmonton, uncle of the bride, and Robert Dann of Vulcan, step-brother of the groom.

Following the ceremony a reception was held at Eastwood Hall. The bride's table was centred with a three-tiered wedding cake flanked by tall white tapers. After the reception the wedding party enjoyed a few hours dancing with a four-piece orchestra supplying the music.

After a short honeymoon in Banff, Cpl. and Mrs. Sproule will take up residence in Calgary where Cpl. Sproule is attached to the Provost Corps at Currie Barracks.

Out-of-town guests were Mr. and Mrs. B. B. Dann Sr. and Robert, Mr. and Mrs. K. Jones, Mrs. W. H. Jones, Mrs. A. G. Scott and Jay, and Mr. and Mrs. J. C. MacMillan, all of Vulcan.

SERVICE BOARD NOTES

Elsewhere in this issue will be found full particulars of Achievement Day to be held on October 29th at Vulcan.

We would urge you to attend and show your interest and appreciation to the young people of the various 4H grain clubs.

You will note that a good program has been arranged and we are looking for a good attendance so the day will be something to be remembered by the contestants.

Keep the date, October 29th, open for Achievement Day.

Canadian defence expenditure currently represents 45 percent of the Federal budget.

NOTICE

By-Law No. 33

PUBLIC NOTICE is hereby given
that the Council of the County
of Vulcan No. 2 has introduced and
read the second time the follow-
ing By-Law:

A By-Law of the County of Vul-
can No. 2 to authorize the closing
of the road allowance between Sec-
tions 28 and 29 and the S.W. 33
and S.E. 32 of 32 in Township 16,
Range 25 West of the 4th Meri-
dian.

WHEREAS the road allowance
between Section 28 and 29 and the
S.W. 33 and S.E. 32 in Township
16 Range 25 West of the 4th Meri-
dian is not fit for traffic and is
deemed unnecessary for the Coun-
ty of Vulcan system of roads.

NOW THEREFORE be it re-
solved that the County of Vulcan
enacts as follows:

THAT the road allowance be-
tween Sections 28 and 29 and the
S.W. 33 and S.E. 32 in Township
16 Range 25 West of the 4th Meri-
dian be permanently closed to traf-
fic.

READ a first and second time
and provisionally passed this 15th
day of October, A.D. 1952.

J. E. Carlson D. D. McQueen
Chairman Sec.-Treas.

Further notice is hereby given
that if there are no objections in
writing to the By-Law forwarded to
the Secretary-Treasurer on or
before November 14th, the Coun-
cil will proceed to finally pass the
same.

DATED at Vulcan this 21st day
of October 1952.

D. D. McQueen
Sec.-Treas.

Never let a good spare tire re-
main idle until the other tires are
worn out because the spare will
deteriorate from disuse even
though it may appear to be new
and in perfect condition.

GOSPEL HEALING MEETINGS

Sunday 8:00 p.m. I.O.O.F. Hall

Special Singing and Music

SERMON TOPIC: "Bible Healing and Skeptics"

A Number of Outstanding Miracles will be cited along with positive Scripture proof

Bring in the Sick! You Are Welcome!

"Man's Impossibilities are God's Specialties"

Christian Training Centre Tract — How To Become a Christian!

1 RECOGNIZE that you are not a Christian
because you are good, for God's Word de-
clares "There is none that doeth good, not
one." (Romans 3:12).

2 RECOGNIZE that you are not a Christian
because you are doing the best you can,
for God's Word declares that "All have
sinned, and come short of the glory of God."
(Romans 3:23).

3 RECOGNIZE that you are not necessarily
a Christian because you are a member of
some church, for again the Word of God
declares that many have "a form of godliness
but deny the power thereof; from such turn
away" (II Timothy 3:5).

4 CONFESS that you are a guilty sinner in
God's sight, for you have broken His com-
mandments, and all the world has become
guilty before Him. (Romans 3:19).

5 CONFESS that you cannot save yourself,
for "by grace are ye saved through faith;
and that not of yourselves; it is the gift
of God" (Ephesians 2:8).

6 CONFESS that you are hopelessly lost
and under condemnation without Jesus
Christ as your personal Saviour, for He
said: "The Son of man is come to seek and to
save that which was lost" (Luke 19:10).

7 BELIEVE the good news that Christ died
for the ungodly (Romans

Mr. and Mrs. Adam Ferguson and family are spending a few days in Calgary.

Mr. and Mrs. Leonard Bach of Carmangay visited in the district on Sunday.

Mrs. M. Little is spending a short time visiting at the home of her son and daughter-in-law, Mr. and Mrs. Jay Little at Staveley.

Among those attending the foot ball game in Calgary last week were Mr. and Mrs. George Ellis, and Robert and Allen Fath.

Mr. and Mrs. George Murray of Vulcan were Sunday visitors at the home of Mr. and Mrs. W. Keenan.

Mrs. Libby Latiff and Mr. Bouzyan visited with their brother-in-law and sister, Mr. and Mrs. Russell Bell in Taber on Sunday.

A number of friends gathered at the home of Mr. and Mrs. Guy Dow recently, to wish Albert Orcutt many happy returns on his birthday.

Mr. and Mrs. Jake Fritzier and son were weekend visitors at Medicine Hat.

Mr. and Mrs. Charlie McDougall and Mrs. M. McDougall are Calgary visitors this week.

Mrs. Con. Hartung returned Thursday after spending some time in the Holy Cross hospital, in Calgary.

Mr. and Mrs. Alex Bain and family of Claresholm were Saturday visitors at Clarence Rhodes' home.

Virginia Vickers is making her home with her uncle and aunt, Mr. and Mrs. Thompson at Nobleford for a short time.

Mr. and Mrs. Johnny Douville and family and Mr. and Mrs. Ernie Douville and small daughter spent the weekend visiting in several points in Saskatchewan.

LETTER TO THE EDITOR

Vulcan, Alberta.

Editor:

To curb moral delinquency and help the moral re-armament program, let the public know there are churches they may join and be baptized any day. This is too important to be relegated to one day a week. Joining a church is a personal matter between the person and God. It does not have to be a public affair. Many people are self-conscious about doing things in public and do not join.

William R. Sullivan.

\$93,494,460⁵⁷

Since the first Canada Savings Bond was sold — interest payments totalling about ninety three and a half million dollars have been paid out to about one million owners. This represents an average return of approximately \$100. Some owners have earned more interest than this—some less—but all would agree that they have had a handsome return for an investment that is cashable at full face value at an instant's notice.

It is the easiest, most carefree way to earn money that one can imagine. And now the new Seventh Series of Canada Savings Bonds offer a better return than ever! They pay an average of 3.44% per year if held for their full term of 10 years and 9 months. The Seventh Series bonds—like earlier issues—are cashable at full face value plus interest at any time at any bank in Canada.

Carmanagay

Mr. and Mrs. Alec McMillan were recent Calgary visitors at the homes of their many friends. Miss Rosemarie McMillan now going to school in Edmonton joined them to spend a short holiday.

Guests at the home of Mr. and Mrs. Alec McMillan over the weekend were Miss A. Anderson, E. Anderson and N. Anderson, all of Claresholm.

Mr. and Mrs. Loren Roemmel were Sunday visitors to Lethbridge to see the new daughter of Mr. and Mrs. Mark Flinton.

Hospital Auxiliary

The Hospital Auxiliary held their monthly meeting recently with a very good attendance. The President gave a report on some of the things that have been purchased for the hospital and the Nurses Home, which included 8 pairs of blankets, one comforter, some wall vases and new linoleum has been laid in the hall of the home. Some of the ladies volunteered to clean the chestfield and upholstery in the home, which was done.

Some wall vases were also purchased for the doctor's office, and a new double boiler for the hospital kitchen. The raffish was donated by Mrs. J. Hubka and won by Mrs. A. Stafford. It was decided at the meeting that the meetings will be held on the third Thursday of each month instead of the previous meeting day.

It was especially decided that there will be a Christmas Hamper again this year as well as last year and many years before to be raffled sometime in December. You will be notified when tickets are on sale.

4-H Club Meeting

The meeting of the local 4-H Club was held in the United Church basement October 14th with an attendance of 14 members and four leaders.

The main business of the meeting was the forthcoming Achievement Day which is to be held in Vulcan on October 29th in the Legion Hall at Vulcan. This affair is a joint day including clubs from Carmanagay, Champion and Vulcan.

Reports were given on different subjects, such as Farm Beautification by Donald Brownell and Land Erosion by David Shearer, which proved a very interesting subject and should make more people conscious of the land they work and just what causes it to yield or fail.

For the next meeting a report is to be given by Penny Anderson on weed varieties, and Kenneth Anderson a report on grasshoppers, wireworms and sawfly.

4-H Club Achievement Day

The 4H Club wishes to announce that their Achievement Day will

be held Oct. 29th in the Legion Hall in Vulcan.

In the forenoon of the 29th many displays will be made after which lunch will be served to those present. In the afternoon the grain judging will be underway, also the identification of impurities of grain and the identification of forage crop seed.

This part of the afternoon will be followed by an hour program by the 4H Club members and last but not least the presentation of the trophies to their respective winners. Everyone is welcome. Come out and support the youth of your community.

District News

From Our Correspondents

ARROWWOOD

Arrowwood gifts to the Crippled Children's Hospital thus far in 1952. In August three friends donated 70 qts. of canned vegetables; Oct. 2 the Brethren Ladies Aid donated 16 sacks of vegetables and 84 qts. of canned goods; Oct. 8 the community contributed 21 sacks of vegetables, 79 qts. of canned goods and one case of eggs. These shipments, weighing well over two tons were prepaid to the Hospital.

Mr. and Mrs. Bert Stettin and family spent the long weekend visiting with Bert's brothers and sister in Ekville, Torrington and Olds.

Mr. and Mrs. Verlyn Culp have gone to Montana for a short visit.

Mr. and Mrs. Art Hoerle and family spent the long weekend in Delburne.

Mr. and Mrs. Stanam spent the long weekend in Taber.

Mrs. MacRae was visiting with her daughter Mrs. L. M. Williams for the Thanksgiving weekend.

Mr. and Mrs. Forrest Kemper are spending this week in Calgary.

Mr. and Mrs. Margaret House and family visited with Margaret's folks at Gladys Ridge for the holiday weekend.

Bob Simpson from the Sunrise Gospel Hour showed the film "Mr. Texas" to a large group of people on Sunday, Oct. 12.

Bob DeWitt, Ted Burger and George Roberts spent a few days in Montana recently.

Marjorie Spence spent the holiday weekend with Mr. and Mrs. Chester Coulter.

Mr. and Mrs. Bill DeWitt and Harold left on Friday evening to spend the holiday with their daughter at Onoway.

Mr. and Mrs. Dwight Richards have gone to Iowa for a visit and Mr. and Mrs. Don Richards are doing the work at home while they are away.

We are sorry to learn that Mrs.

L. King was confined to the Vulcan Hospital for a short time but hope she is feeling better again. Miss Lillian Wallace and Henry Redowitz journeyed to Buttern Lake to see their relatives there. Muriel and Norman DeWitt and Marjorie Stienner were all home for the long weekend. George Roberts has accepted a position with the A. P. Grain and will be working in Milo. Mr. and Mrs. G. Newby had son are teaching in Vauxhall and weekend guests when Mrs. Newby's sister and friends were there to visit. Miss Blumer and Miss Wile son are teaching in Vauxhall and Mr. Lewis is from Tuberoes, Sask.

District News

MILO

The Milo Students' Union has organized for another year and here is the lineup of the executive: President, Bruce Henry; Vice-President, Maureen Robertson; Treasurer, Murray Phillips; Secretary, Colven Phillips. That sounds like a good start for a very active student organization so let's hear from you with lots of activities.

The regular meeting of the F. W.U.A. was held at the home of Mrs. Marian Henry with a very good turnout of members, and several visitors. A financial report of the chicken supper was given and it was found that 210 dollars were taken in. Reports were given and the forthcoming convention in Edmonton was discussed. The next meeting is to be held at the home of Mrs. Harold Northcott.

It is with regret that we learned of the accident that befell Jimmy Fleming some time ago. He had the misfortune to have his nose broken and to be hospitalized for several days after the car in which he was riding ran off a dead end road and hit a telephone pole. Jimmy is still employed by the Thode Construction company and is working now in central Saskatchewan.

Donald, Bill and Maxine Deitz motored to Claresholm on Sunday to attend a Young Peoples' conference of the Lutheran Church.

Mr. and Mrs. Norman Bryan and family were visiting at the home of Mr. and Mrs. Chester Anderson this past week.

Even the Lutheran Church is profiting by this beautiful weather and it is getting a real face lifting with a new coat of paint. There has been a change in color scheme too as the roof is now green where it used to be red. Looks real sharp too.

No one can say that this country is not prospering both in material wealth and children. A nice new school was planned for the young fry and then when school opened it was discovered that already that building was too small and two more rooms, are now being fixed on the ground floor. The school is certainly a beautiful building already and all those entering it's portals should be very proud of their alma mater.

Collin Burk of Medicine Hat, and formerly of Milo spent the night with Lawrence Umscheid last week. Collin went to school in Milo and will be remembered by many of the young people of the district. He is now travelling for Motor Car supply as a salesman.

Mr. and Mrs. Gordon Ivers entertained at a family reunion of the Lewis family last Sunday. Those present included Mr. and Mrs. Charles Lewis of Lethbridge, Mr. and Mrs. Ronald Lewis of Retlaw, Harold Lewis of Aldrie, Mrs. Pauline Kish of Water Valley, Mr. and Mrs. Herb Dunn of Turin. The only one absent of the whole family was a niece of Mrs. Ivers who lives in B.C.

Mr. and Mrs. Kisk and family attended the wedding of Mrs. Kisk brother Karl Belza and Theresa Magditch of Rosefield, Sask. The young couple came back to Milo to spend part of their honeymoon before going to Lethbridge.

Miss Alda Lewis spent the week end at the home of Mrs. Lewis Ivers visiting with friends in the district.

Mr. and Mrs. Clifford Hellevang and family went to Acme to spend the weekend and little Donna stayed there with her grandparents.

Work commenced last week on a cistern for the curling rink. It is supposed to be of sufficient size to hold enough water to supply the rink all winter.

Here are a couple of coming events that should interest a good many people in the community. The first is a dance put on by the Rebekahs on the 31st of October. It is to be a costume dance, but even if they so say that masquerading is optional, for goodness sake come in costume and really make it a success. You don't know how much fun you can have at a dance until you dress for a masquerade.

The other coming event is a carnival and dance put on by the Milo Recreational Society and to be held Nov. 7-8 in the curling rink.

Is the principal of our flourishing Milo school ever a proud man these days. His wife has presented him with a baby girl and he now thinks he has the world by the tail and a downhill pull.

Firechief Thomson seems to be having some trouble with his fire siren. For several days the noon siren has been blowing at odd times, but the worst was the other night when it blew at about nine o'clock at night. Several people who were in bed got up and dressed to see what it was all about. It blew for several minutes and woke some of the children and got a lot of others excited. No one seems to know what started it, but at least that was one of the

times that it worked.

Here is an article for the people who read this paper in places distant from here. Especially those who think that the weather in our proverbially sunny province is always anything but sunny and that the weather in the place where they reside is always perfect. Well we do get some pretty raw deals at times and as sure as anything, by the time this comes off the presses we will be in the midst of a blizzard, but anyway here goes with a brag about our country. For the past several months we have not been able to find a thing to complain about as concerns old mother nature. We have had a most beautiful fall and now the Indian Summer is just superb. Of course the men folk think that this fall surely they will get done all those numerous small jobs that they have been saving for just such a year and of course they never get finished because there is just no end to those so called jobs. However, several people have taken heart during this wonderful fall and several houses are being built with the idea that full speed ahead should be the by-word. Besides Bert Clemmon's house, Aubrey Gore has also broken ground for his new residence. This is getting to be a right modern country and people coming back after a number of years absence hardly recognize it.

Those people of the community who pasture their cattle in the community pasture over east certainly had wonderful weather this year for their roundup and drives home. Last week the cattle were all moved home, some in trucks and some driven by men on horse back. Looked like the good old days for awhile in this country.

Mrs. Anne Smith, formerly of Milo and for the past few months a resident of Victoria, B.C., is home for a visit, with family and friends.

Lawrence Monner last week took a trip to Revelstoke, B.C. to visit the gold mine in which he has an interest. Haven't heard if he brought back any gold nuggets or bricks but it is hoped that he did as we'd like a look at one or more.

Confucius never said this but the little old album does: It's hard to lose a friend When your heart is full of hope; But it's worse to lose a towel When your eyes are full of soap.

EASTWAY

Mr. and Mrs. Frank Wyatt and family were Claresholm visitors Saturday.

Norman Marshall left Wednesday for Vancouver.

Mrs. Eunice Cockwell has returned home from hospital in Vulcan.

Mrs. Pat Laughlin and family accompanied Oscar Hellevang to visit Mr. and Mrs. Ralph McKenzie at Carseland on Sunday.

Rev. Royce, Mrs. Royce and their daughter were welcomed to Union Jack Hall on Sunday afternoon. Rev. Royce conducted Christening Service and announced the following schedule for future visits: First Sunday of each month service at 7:30 p.m.; Third Sunday service at 3:00 p.m.; Fifth Sundays, when they occur at 11:00 am.

Two community work bees were held at the Union Jack hall last week. Several men met on Wednesday morning to clean and paint the walls and ceiling. They were coated with Kem-tone in a light cream shade. As one part of the room was finished women washed the woodwork. When more men arrived they painted the wood work. The cloakrooms were done as well as the main hall. Friday morning the ladies brought scrubbing equipment to clean cupboards, kitchen and floors.

Mrs. Ruby Wyatt had several large pumpkins in her garden so she measured the biggest one. It was 46 inches around and weighed 32 lbs.

Doctors say that eight hours' proper rest in bed will save 7,000 heart-beats a day.

Brief Items of Local Interest

Recent guests at the home of sponsored by St. Aidhelm's Ladies

Mr. and Mrs. Charlie Andrews-Guild, 11-1c were: Mr. and Mrs. F. P. Row, Calgary, Mr. and Mrs. L. Row and five daughters, Saskatoon, Sask. and G. Milne and A. Birchall, Calgary.

Miss Joan Thomas of Red Deer spent the weekend at the home of her parents, Mr. and Mrs. Del Thomas.

Editor and Mrs. R. C. R. Munro are spending a few days at Harrison Hot Springs and Vancouver, B.C.

Mr. and Mrs. Earl Youngren of Calgary spent the weekend at the home of Mr. and Mrs. Jack Deans.

Miss Guy Volney left Monday evening for a six-week holiday at Shawville, P.Q., where she will visit with relatives.

L.A.C. Jimmie Wiersma of Greenwood, N.S., is spending a furlough at his home here.

Mr. and Mrs. Dave McAlfee attended the Alberta Provincial Hospital convention in Calgary last week.

A farewell party in honor of Mr. and Mrs. Johnny Kaiser, recent newly-weds, who have since left to make their home at Estevan, Sask., was held at the Alex Kaiser home on Saturday evening. Some 50 friends and neighbors of the community gathered to present the guests-of-honor with many personal gifts and a purse of money.

Mr. Peter Bowler, in making the presentation, expressed the good wishes of the entire district, to the young couple, and wished them many years of happiness. Both Mr. and Mrs. Kaiser very graciously thanked their friends for the kindness shown them and for the lovely gifts. All the guests joined in singing "For They Are Jolly Good Fellows." A delicious lunch was served by Mrs. Kaiser, Sr.

Word has been received here of the death at Burnaby, B.C. on Tuesday, Oct. 14, of Johnny Johnson, former resident and home-stender of the Reid Hill district. Mr. Johnson, who was born in the U.S. 65 years ago, came to Canada around 1914, and continued to live in the district until moving to the coast some years ago. Surviving are his two sons, Alcen, Burnaby and Ellsworth, Vancouver, two daughters, Mrs. Mel Brounny (Andrine) of Everett, Wash., and Mrs. Charlie Bevons (Pearl) of Burnaby, and five grandchildren. Funeral services were held Thursday at Burnaby.

The Alberta Association of Registered Nurses will meet at the Nurses Home on Tuesday, Oct. 28. It is hoped that a film on polio or some other timely topic will be shown.

Miss Grace Dingwall of Calgary spent the weekend and Thanksgiving at the home of her parents, Mr. and Mrs. Robt. Dingwall and family. Miss Dingwall, Douglas Dingwall of Prince George, B.C., who has helped his Uncle Robt. Dingwall and George with their harvest has now left to return to Prince George for the winter.

Don't forget the Fashion Show and tea on Saturday, Nov. 15 at the Legion Hall from 3 to 5 p.m.

friends for their kind wishes and lovely gifts. A dainty lunch was served by the hostesses.

B. J. S. Tharp of Calgary, Optometrist, will be at Mitchell's Drug Store Vulcan, on Saturday, Nov. 1 from 10 a.m. to 5 p.m. adv11-2c

Mr. and Mrs. B. Somerville and Lee visited with relatives in Medicine Hat over the weekend where they attended the Stubber-Honig wedding.

Yvonne Somerville of Gibbons

Yams and Sweet Potato Time

Now, those main dishes you've passed up during the summer taste extra good. Besides the rich flavor and bright color, their substantial enough to satisfy the heartiest appetites. And best of all they're rich in vitamins and minerals.

It was shortly after Thanksgiving day that someone asked the little boy to define the word appetite. His reply was prompt and enthusiastic. "When your eating you're 'appy; and when you get through you're tight—that's appetite!"

For 'appy-tight appeal try some of these recipes. Alternate slices of cooked peeled sweet potatoes and tart apples. Bake in syrup of brown sugar, water and a little butter with a dash of nutmeg. Fine builder-upper for sausage or pan-friend ham.

GLAZE SLICED YAMS in sugar, butter and syrup from crushed pineapple. Remove sweet potatoes (or yams), add pineapple to glaze, heat and pour over Yams. Serve with baked ham, chicken or turkey.

BAKE SWEET POTATO slices in four parts of pineapple juice to one of honey and dot with butter. Delicious with bacon or sausages.

Cook Yams or Sweet Potatoes, in their jackets whenever possible. Just until tender for candying, and until well done for mashing. They're easier to peel and keep their flavor, texture and food value better.
